

## Eagles present pre-season programme

---

**EC Adler Stadtwerke Kitzbühel is preparing for the upcoming ice hockey season.**

*The 2023/24 season begins for EC Adler Stadtwerke Kitzbühel on 16 September 2023. Before the starting gun goes off, however, they test the real thing in an "international" test match programme.*

### **Bavarian double as pre-season highlight**

Three teams from the same league, the Alps Hockey League, will compete in the test match programme - Sterzing, Linz and Klagenfurt. With Deggendorfer SC, there will be a Bavarian double. The Lower Bavarians operate in the German Oberliga and are among the top teams in the third-highest division with numerous former German national players.
