

2013 | OD Trails - Jump Line

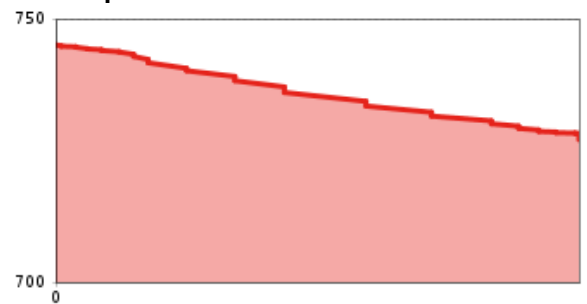

distance	0,2 km	difficulty	average
-----------------	--------	-------------------	---------

starting point:	Abzweigung Green Line
------------------------	-----------------------

destination point:	Einmündung Green Line
---------------------------	-----------------------

Altitude profile

Description

Drops and tables at different heights form the jump line. The difficulty can be gradually increased on 3 lines. Here, everyone can compete with the others according to their personal ability.
