Altitude profile

## Description

The route starts at the junction of the Kalksteinradrunde (No. 18) in St. Johann i.T. After crossing the stream and the railway tracks, follow the road to the hamlet of Eichenhof. At the car park of the mountain railway, continue uphill to the right. The winding forest road leads through sparse forest and meadowland past the Dechantalm up to the Harschbichl mountain station. There are cosy refreshment stops along the way.
