Altitude profile

## Description

A steep climb from Aurach / Oberging through the forest and meadows to the Blaufeldhochalm, with great views of the Kitzbühel Alps.

The first section from the Traidlweg in Aurach to the Berging farm is on a paved road. From there a gravel path winds through the forest and meadows over the Bocksau-Alm and Niedere Blaufeldalm to the Oberen Blaufeldalm. At the top are wonderful views of the Südberge mountains to the south of Kitzbühel. You take the same route back down, to finish the tour.
