Altitude profile

## Description

A particularly beautiful tour in early summer, when countless alpine roses are in full bloom along the route! This challenging tour starts at the bike and MTB info point at the P3 Wasserfeld car park and is an extension of the Glantersbergrunde (MTB 227). After leaving the Glantersbergrunde, the route leads along a steeply ascending gravel road across the alpine pastures above Kelchsau. TIP: From the Lodronalm, climb up the Lodron (approx. 1 hour) on the tracks of the KAT trail. The descent into Kelchsau leads along forest and alpine paths past the Demmelhütten and extensive alpine meadows. A stop at the rustic Fuchswirt in the valley is a cosy end to the bike tour. A
