Altitude profile

Description

Turn left at the "Moosen" sign, keep left again at the "Heisenhof" hotel and cycle uphill towards the Westendorf Salvenberg. Pass the Alpine school and shortly afterwards follow the road to the left. Go around the car barrier and after approx. 300 m the gravel road begins, on which you reach the reservoir after a few serpentines. Continue uphill and keep left just below the Kälbersalvenalm. After a short, quite steep climb, you have reached the highest point of the tour. Follow the tractor path to the left and after a few "ups and downs" you have reached the destination "Gasthaus Rigi".
