Description

The bike tour starts at the top station of the Hahnenkammbahn. It goes past the top of the Walde lift, Hahnenkammstüberl and Berghaus Tyrol restaurants, on to the Ehrenbachhöhe. From there you have the choice to take the bike trail back to the Hahnenkamm, and even all the way down to the town if you like, or to continue onto Pengelstein. The way to Pengelstein goes down to the Streiteckmulde and up the Jufensteilhang to the ridge that takes you across. The last part of the route is more relaxed passing the Brunnschnee lake, and ending at the Pengelstein restaurant. Tip: Enjoy a meal at the Pengelstein restaurant with fantastic views, you can even charge your ebike while you're eating.
