Altitude profile

Description

With 1.888 m the Stuckkogel is a rewarding mountain peak near Kitzbühel.

Our hike starts comfortably with the Bichlalm lift to the top station of the Bichlalm. There you can take a break before you start your hike. Our hike takes us past the Kneipp facility at the Bichlalm, which is an excellent place to refresh yourself after your hike. Along cow meadows you hike uphill in a moderate gradient. About halfway up, you can also make a short detour to the Hochetzkogel, which offers an excellent view of Kitzbühel. Continue with a moderate gradient for about one more kilometre to the summit of the Stuckkogel, which offers a wonderful 360° panorama of the surrounding mountains.
