<b>altitude meters uphill</b>	270 m	<b>altitude meters downhill</b>	962 m	<b>highest point</b>	1690 m
<b>best season:</b>	JUN, JUL, AUG, SEP, OCT				

Altitude profile

## Description

Take advantage of the excellent KitzSki infrastructure by riding the Bichlalm lift to the Bichlalm hut. From there, you are directly in the Kitzbühel trail paradise. Head south on flowy trails towards Hochwildalm and Gaisberg, enjoying stunning valley views and, further south, the Hohe Tauern. Occasionally, you'll also catch glimpses of the Leoganger and Lofer Steinberge to the north.

At this point, turn towards "Wildpark/Oberaurach." Follow the gravel road, passing the Wildpark Aurach until you reach it. Here, turn right onto a beautiful trail towards "Oberaurach," continuing until you arrive at the Aurach village center. At Hallerwirt, turn right and briefly ascend, then alternate between trails and asphalt, returning to the Bichlalm lift valley station.
